Remington YMCA Quarry Park Recreation Facility Update

Remington YMCA is a City of Calgary-built recreation facility on the east side of Quarry Park across from Quarry Market and the future LRT station. YMCA Calgary is pleased that Remington Development Corporation is the named sponsor of this facility. Serving the needs of both residents and employees from Quarry Park and the surrounding neighbourhoods and business parks, the recreation facility is another key part of our live, work, play community. Acting as a community hub, this 95,000 sq. ft. facility will include a 25m-6 lane swimming pool, leisure pool, a fitness centre with cardio and strength equipment, a gymnasium and an indoor running track.

Also located within the facility will be a Calgary public library, a YMCA Child Development Centre with 62 spaces (registration has begun), and multi-purpose rooms for cultural, art, learning and business activities.

Anticipated opening date is mid-2016 and membership pre-sales will begin soon.
