## QUARRY PARK NEWS

QUARRY PARK NEWSLETTER  
WINTER 2020

I get a little warm in my heart when I think of winter.

Tori Amos

2020 has been quite the year for all of us with many unexpected and unprecedented challenges. We hope the magic of the Holiday Season fills your home with joy and peace, and we wish you all the best for a merry and bright New Year. Take care of yourselves and stay safe.

## Out and About in the City

### City of Calgary is warming up parks with temporary fire pits

Although we can't have visitors under the current guidelines, we can still mingle outdoors with our immediate household. If you don't have your own outdoor firepit, but would like to gather around a crackling fire, you can book a public pit this winter. The City of Calgary recently launched a new program where some public parks have been fitted with temporary fire pits. You can use the fire pits between 9 a.m. and 9 p.m. weekdays and weekends. Bookable times are 12-3 p.m., 4-6 p.m. and 7-9 p.m. Visit the City of Calgary website to book your spot. You can also purchase firewood from the Inglewood Bird Sanctuary located at 2425 9th Ave SE, open Thursday to Sunday 12:00 p.m. – 4:00 p.m. Remember to bring your own marshmallows and hot chocolate!

## IN AND AROUND QUARRY PARK

### Mary Brown's Chicken

A big welcome to Mary Brown's Chicken! The newest addition to The Market is located beside the Quarry Park Barber and is open 7 days a week from 11:00am — 9:00 p.m. Mary Brown's Chicken & Taters is 100% Canadian owned and operated with their ingredients sourced from Canadian farms. ([www.marybrowns.com](http://www.marybrowns.com))

Mary Brown was a lovely lady with an incredible recipe for southern fried chicken. After serving it to her family for years, her husband decided that the rest of the world deserved to eat as well as he did. He met with two wise gents from Newfoundland, who immediately fell in love with Mary's chicken and bought the recipe. In 1969, the first Mary Brown's opened its doors in St. John's, Newfoundland. Word quickly spread and stores were added across the province. In 1972, two stores opened in Ontario. From there, growth expanded west to Alberta, back east to the Maritimes, out to the Prairies and more recently, all the way to British Columbia. Be sure to stop by and say hello!

### Dining Out

Don't feel like cooking? Why not visit some of the great restaurants at The Market? The Park Kitchen & Bar, Original Joe's Restaurant and Pho Hoan Pasteur are all open for delivery and take out. Be sure to visit their websites for their awesome menus and weekly specials!
