Spring Yard Clean - Up

The sun is shining and the snow is melting which means spring is in the air! It also means it's time to give your yard a little TLC.

Here is a checklist to tackle your yard clean up.

- Clean up leaves & trash from the grass
- Pressure wash driveway, porches & sidewalks
- Pull weeds in the garden beds
- Add / replace soil & mulch
- Fertilize your grass
- Prune dead branches from trees and bushes
- Clean your BBQ grills
- Clean gutters and water features
- Give your lawnmower a tune up

Dog Owners

Just a friendly reminder to all our Quarry Park dog owners that Quarry Park is not an off-leash area and dogs are required to be on leash at all times. The Sue Higgins off-leash park is only a short walk north of Quarry Park across the Carburn Park pedestrian bridge. We also kindly ask that you always pick up after your dog and put your bags in the trash to help keep our beautiful community clean.

Race for Pace

Suit up and get ready for Race for Pace! For over a decade, heroes across Calgary have laced up and embraced their inner hero in support of Pacekids Programs. This superhero-themed fun run and walk is a family-friendly morning filled with exciting activities, great prizes and awards, and sensory friendly spaces. All proceeds raised will directly support Pacekids and provide critical programs and services to over 600 children and families this year. Pacekids empowers children with disabilities and diverse needs through excellence in therapy, education, and play.

Spring Clean - Up Street Sweeping

The 2022 Spring Clean-up will begin mid April and runs until July. Street sweeping is done throughout the week from 8:00 a.m. to 4:00 p.m. on residential streets, and in the evenings or overnight on major routes. You can find the street sweeping schedule at www.calgary.ca/sweep.

Watch for the street cleaning signs that will be placed around the community, indicating when your street is scheduled for sweeping and when the parking ban will be in effect. Any vehicle that has not been removed from the street during the times indicated on the sign is subject to ticketing. If street sweeping falls on garbage pickup day, place your garbage bins on the sidewalk or grass boulevard next to the curb when sweeping is scheduled.

The City has launched a street sweeping alert service. Sign up for e-mail and/or text alerts and never miss another sweeping day again. You can register multiple addresses via The City's myID program. Visit <https://roadnotifications.calgary.ca> to receive your notifications.
