DouglasQuarry Community Garden

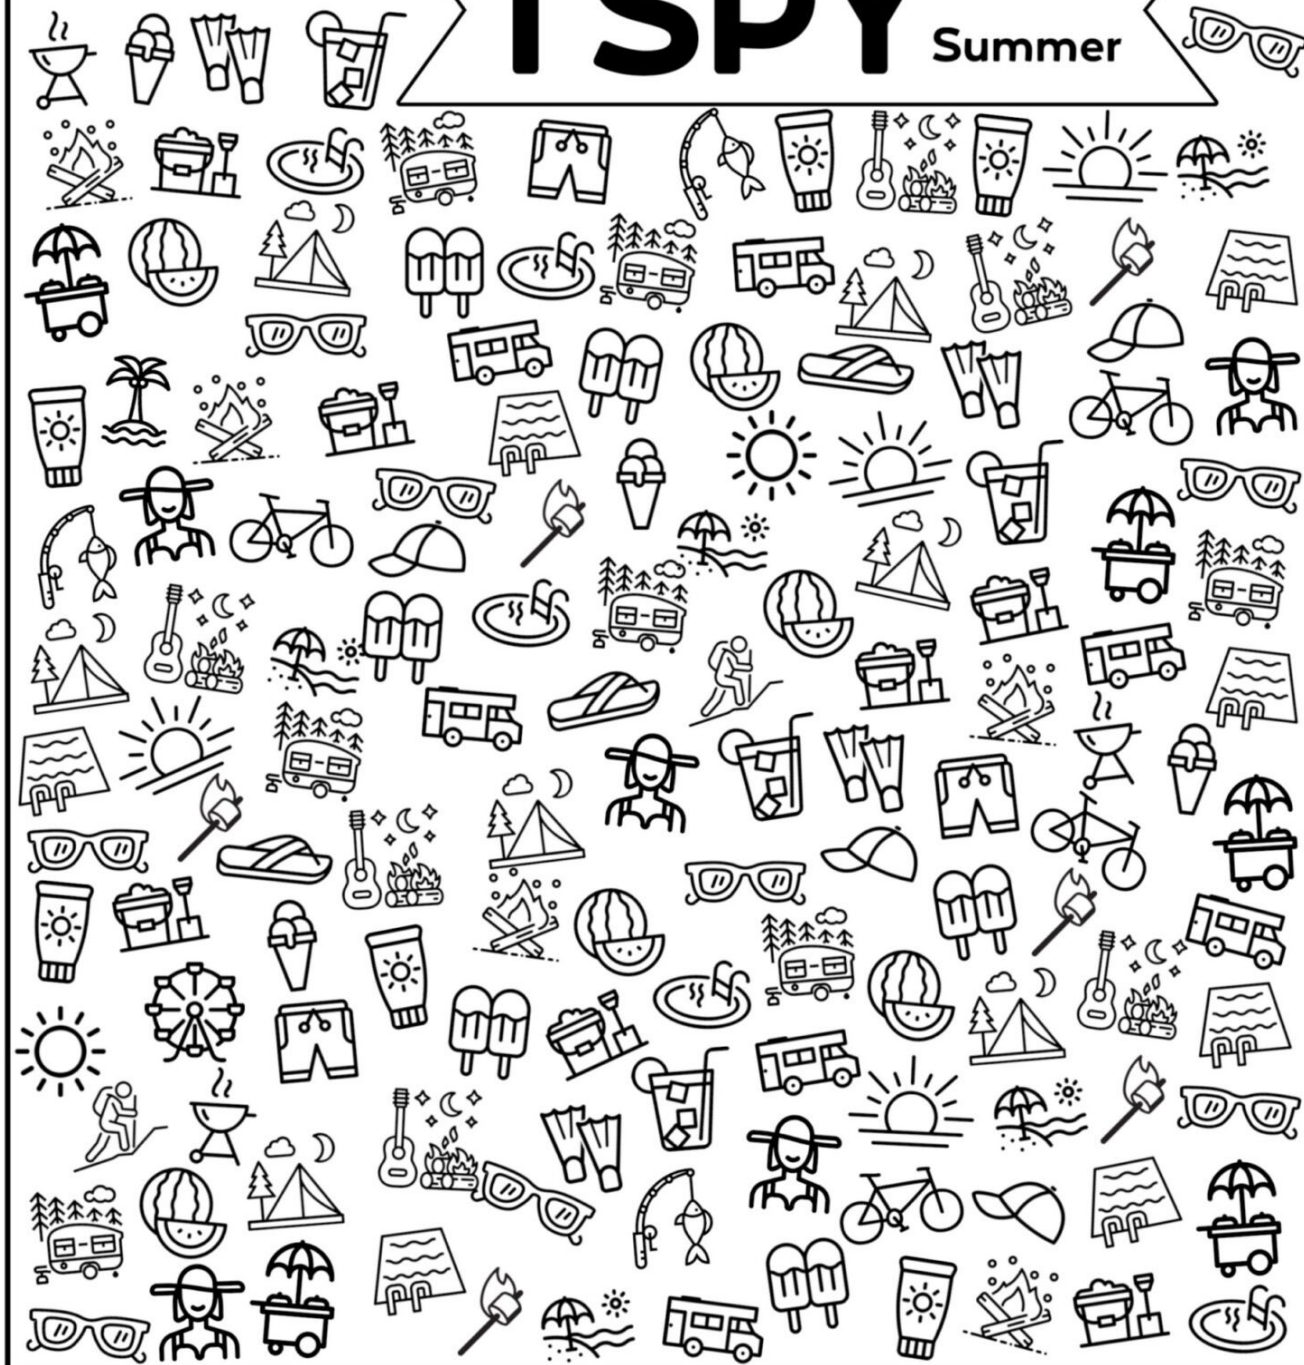

Did you know that we have a community garden? Located near the skating rink in Douglasdale, along Douglasdale Boulevard, the garden has been in operation for 10 years and welcomes families from the DouglasGlen, Quarry Park and Douglasdale communities. The garden offers small plots that are four by eight feet in dimension, in raised beds in a parklike setting to as many as 30 families. Members of the DouglasQuarry Community Association can rent a plot for \$30 per year. You do not need to have a green thumb to grow your own fresh, organic food, and more experienced gardeners are always happy to share tips and tricks that have worked for them.

If you have any questions or would like to register for a plot, please email: garden@dqca.ca

An annual membership to the DouglasQuarry Community Association is only \$25 per household and can be obtained by visiting: <https://dqca.ca>

Quarry Park Homes

Remington's purpose-built rental development, deVille, is shaping up to be a landmark in Quarry Park. The French inspired buildings are seen from quite a distance, soaring over the Quarry Market. The first two towers are now home to over 220 new residents ranging from 20-something working professionals to retired folks. Tower 3 is scheduled to be ready for occupancy in winter 2023. All three towers have 1bed/1bath and 2bed/2bath suites. The pet friendly buildings offer a turfed area as well as a dog wash.

There is one final unit for sale at The Gates South located along Quarry Gate. The spacious 1bed+den with one underground parking stall, is appointed with modern finishings and is ready for immediate occupancy. Call 403-930-6900 for more information

New In Quarry Park

A new retail tenant will open its doors at The Market later this summer.

Pizza Hut is moving into the vacant space next to the Joy & Vitality Centre, and will be a great addition to the existing restaurants and food services in our neighbourhood.

Keep your eyes open for the Grand Opening signs!
