Safe Travels

Our top tips of things you can do to be prepared for these winter months when travelling in and around the City.

Winterize your vehicle. Winter tires help improve traction during the cold weather months. Ensuring your vehicle has plenty of windshield fluid is important.

Don't forget that snow brush! Keeping a snow brush in your vehicle helps you keep your windows clear. Make sure to clear your vehicle off before hitting the road.

Have an emergency kit in your trunk. Be sure to have a kit in your vehicle with extra gloves, toques, an emergency blanket, bottles of water, snacks and a small shovel.

Bundle up and wear good footwear. Choose well-insulated winter boots with thick non-slip tread soles. Make sure to dress for the weather!

The deVille project continues to be a huge success with Tower 3 welcoming its first residents at the end of November. More than half of the third tower is now leased, making deVille home to over 325 residents. All homes are projected to be leased by early spring. We are excited to welcome our new Quarry Park residents to the community!
